Ratings 400V, 4-7.5kW

Trade mark

Model / Type Ref. BKX-XX-YYYY

Principal characteristics

 See page 2

A sample of the product was tested and found to be in conformity with

HOUS EN 1012-1:2010
EN 60204:2006;A1

EMC EN 61000-6-2:2005
EN 61000-6-4:2007;A1

Validity

This certificate documents conformity with the standards shown, and also applies as license for use of Nemkos name and certification mark. The certificate and license is valid as long as the applicable conditions are complied with, and provided that any changes to the product are notified to Nemko for acceptance prior to implementation. New standards or amendments to the standards may imply that the product design must be updated and/or that re-testing and re-certification is necessary.

Additional information

This certificate replaces certificate P09211284, due to upgrade of standards.

 See next page(s)

The above mentioned certified equipment complies with current regulatory requirements regarding electrical safety and electromagnetic compatibility (EMC) in Norway and other EU/EEA member states.
