To whom it may concern,

It is my pleasure to recommend the SRL Europolis International company considering the excellent collaboration in the last three years.

SRL Europolis International was contracted for delivering consultancy services related to regional and urban development, specifically focusing on citizen engagement, integrated approaches to urban development and infrastructure project development. At all times the Europolis team ensured in time delivery and seamless process management. All delivered documents were excellent in terms of both quality and development process. The team's professionalism, expertise, and commitment to delivering high-quality work was evident throughout the entire process.

The level of detail, accuracy, and insight provided in the assessments, reports, studies, have proven to be a valuable resource to our partners. The ability to meet deadlines while maintaining such a high standard of work truly stood out and made the entire process smooth and efficient.

We wholeheartedly recommend SRL Europolis International to any organization in need of expert consulting services in regional and urban development.

Kind regards,

Subject: *Satisfactory Performance Statement - Regional Spatial Development Plan for Ungheni District*

Mr. Ghenadie IVAȘCENCO

Administrator, Development and Consulting Group "Europolis International"

I am writing to provide a satisfactory performance statement on behalf of the UNDP Programme "EU4Moldova: Focal regions" regarding the elaboration of the Regional Spatial Development Plan for Ungheni District. This statement pertains to the outstanding work and contributions made by the Development and Consulting Group "Europolis International" as the national partner, in consortia with the international partner, the "Institute for Housing and Urban Development Studies" from Romania.

The UNDP Programme "EU4Moldova: Focal regions" acknowledges and commends the expertise, dedication, and professionalism demonstrated by Europolis International throughout the development of the Regional Spatial Development Plan. The team's commitment to promoting sustainable and inclusive spatial development strategies aligns seamlessly with the goals and objectives of the EU4Moldova: Focal regions Programme.

Europolis International's comprehensive approach, in collaboration with relevant stakeholders, has resulted in a well-designed and robust Regional Spatial Development Plan for Ungheni District. The plan addresses key challenges and opportunities, incorporating innovative solutions that foster economic growth, enhance environmental sustainability, and improve the overall quality of life for residents.

Sincerely,

Veaceslav BULAT

Project Manager / Local Development
