Scrisoare de recomandare

Agencia de Dezvoltare Regională Centru este instituție publică necomercială cu autonomie financiară subordonată Ministerului Agriculturii, Dezvoltării Regionale și Mediului al RM și se constituie pentru asigurarea operaționalității procesului de implementare și realizare a Strategiei de dezvoltare regională.

Această scrisoare de recomandare vine să confirme faptul că compania SRL "BIM-TECH SOLUTION" a participat la licitația publică pe parcursul anului 2018, fiind declarată învingătoare și a semnat Contracte de prestare a serviciilor privind elaborarea proiectelor tehnice și documentației de deviz în scopul implementării următoarelor proiecte finanțate de Uniunea Europeană prin intermediul GIZ Moldova:

„Creșterea eficienței energetice a Liceului Teoretic „Alexei Mateevici”, or. Șoldănești

„Creșterea eficienței energetice a Liceului Teoretic „Holercani”, s. Holercani

„Creșterea eficienței energetice a Liceului Teoretic „Mihai Eminescu”, mun. Ungheni

Proiectele fiind realizate conform prevederilor contractuale fără dificultăți și abateri. Pretenții la calitatea serviciilor contractate nu au fost înregistrate. În procesul realizării proiectului personalul administrativ și ingineresc a demonstrat competență și performanță în domeniu, responsabilitate în efectuarea sarcinilor stabilite și flexibilitate în luarea deciziilor.

În acest context, recomandăm compania SRL "BIM-TECH SOLUTION" în calitate de prestator de servicii profesionale de proiectare în domeniul construcțiilor.

Cu respect,

Director ADR Centru

Viorel JARDAN

Reg. nr. 53

Letter of Recommendation

This is to confirm that the "Eurostil Construct" S.R.L. has contracted "BIM-TECH Solution" S.R.L. in April 2021 to provide Technical Design services for modernization of 6 schools from Chisinau municipality. The main goal of the modernization activities was related to Energy Efficiency measures, funded by European Bank for Reconstruction and Development (EBRD), European Investment Bank (EIB) and E5P grant (Contract 47899/W/02/2, Lot2). The technical design services included many activities, including:

- Thermal insulation of external walls, passages and socle
- Thermal insulation and waterproofing of the roof
- Replacement of existing windows and doors with windows made of PVC profiles
- Replacement of the heating system
- Installation of individual thermal points
- Modernization of the ventilation system
- Installation of LED lamps
- Installation of the photovoltaic system
- Installation of the energy management system
- Installation of kitchen equipment in 2 lyceum.

All contracted activities were successfully completed in accordance with FIDIC standards, committed schedule of works and budget.

During the implementation period "BIM-TECH Solution" SRL demonstrated a strong commitment and responsibility. The technical design services were carried out timely and of good quality. In relation with beneficiary the company's representatives demonstrated a strong fairness and integrity. "BIM-TECH Solution" SRL provided tangible outputs for project and met both beneficiary and "Eurostil Construct" S.R.L. expectations.

In this context, we have the pleasure to recommend "BIM-TECH Solution" SRL as a design service provider in accordance with the specific needs of the related beneficiary.

Yours sincerely,

Administrator SRL "Eurostil Construct" _____

Nr. 12/1-292 din April 3, 2026

LETTER OF RECOMMENDATION

TO WHOM IT MAY CONCERN:

This letter serves to confirm that, under Contract No. MEEP/CS/1.1/04, awarded and administered by the Moldova Energy Projects Implementation Unit (MEPIU), the association formed by IGC-CONSTRUCT S.R.L. and BIM-TECH SOLUTION S.R.L., represented by Mr. Iurie CONDREA, successfully provided services for the preparation of the design and cost estimate documentation for the energy efficiency rehabilitation project of the Clinical Psychiatric Hospital, which formed an integral part of the international tender package for a project financed by the European Investment Bank (EIB), the European Bank for Reconstruction and Development (EBRD), and the European Union (EU).

During our cooperation, the association demonstrated a high level of professionalism, technical competence, responsibility, and strong organizational and coordination capabilities. The project documentation was prepared and submitted in a structured and professional manner, and the companies proved to be responsive, reliable, and committed throughout the assignment.

Based on our cooperation experience in the framework of the above-mentioned contract, MEPIU confidently recommends IGC-CONSTRUCT S.R.L. and BIM-TECH SOLUTION S.R.L. as reliable and competent partners for the provision of design, engineering, and technical consultancy services.

Sincerely,

Ruslan SURUCIU

LETTER OF RECOMMENDATION

We hereby confirm that **IGC Construct SRL** has performed **design services of Chisinau Penitentiary Project, according to contracts No.SDC3 of February 21, 2018 and No.SDC4 of April 26, 2023.**

Through their extensive experience but also through proven proactivity and transparency, **IGC Construct SRL** has proven to be a reliable contractor and we highly recommend them as a professional design services company because:

- They have provided technical and high quality documents both according to local and international legislation;
- They have met their deadlines;
- In cases where adjustments/ changes to designs and plans had to be made, they did so in a timely manner.

Considering the above, we strongly recommend **IGC Construct SRL** as a reliable design service provider.

Faithfully,

Interim Manager

Chisinau Penitentiary Construction Project Implementation Unit

*“Emergency Response to COVID-19 in the Republic of Moldova”
Project*

December 14, 20223

To whom it may concern

We hereby confirm that “IGC-Construct” SRL during years 2021-2023 has successfully implemented several Contracts within the World Bank financed Project "Emergency Response to COVID-19 in the Republic of Moldova" and its Additional Financing.

The Contracts mentioned are related to:

- Consulting Services for preparing designs, working drawings, bills of quantities and cost estimates and the author supervision for renovation works of Intensive Care Units at six Republican and Rayonal Hospitals;
- Consulting Services for preparing designs, working drawings, bills of quantities and cost estimates and the author supervision for renovation works of National Agency for Public Health buildings (3 blocks) and Public Health Agency in Chisinau, Balti, Cahul, Orhei, Soroca, Hincesti and Ungheni;
- Consulting Services for the production of designs, cost estimates and the author supervision for the construction of a warehouse of the National Agency for Public Health.

It is worth mentioning that “IGC-Construct” SRL has created a highly positive reputation while implementing the contracts by proving high quality of offered services, reliability and professional experience and integrity.

Yours faithfully,

Natalia Belicov 
Project Coordinator
Moldova Emergency COVID-19 Project
