

Certificate CN04/11021

The management system of

## Impulse (Qingdao) Health Tech Co., Ltd.

No 369, Huashan 2 Road, Jimo, Qingdao City, Shandong Province, P.R. China

has been assessed and certified as meeting the requirements of

### ISO 14001:2015

For the following activities

The scope of registration appears on page 2 of this certificate.

This certificate is valid from 10 May 2018 until 19 August 2019 and remains valid subject to satisfactory surveillance audits. Recertification audit due a minimum of 60 days before the expiration date Issue 7. Certified since 26 May 2004

This is a multi-site certification. Additional site details are listed on subsequent pages.

for Dean Davidson, Certification Manager

This document supersedes all previous Authorizations to Mark for the noted Report Number.

This Authorization to Mark is for the exclusive use of Intertek's Client and is provided pursuant to the Certification agreement between Intertek and its Client. Intertek's responsibility and liability are limited to the terms and conditions of the agreement. Intertek assumes no liability to any party, other than to the Client in accordance with the agreement, for any loss, expense or damage occasioned by the use of this Authorization to Mark. Only the Client is authorized to permit copying or distribution of this Authorization to Mark and then only in its entirety. Use of Intertek's Certification mark is restricted to the conditions laid out in the agreement and in this Authorization to Mark. Any further use of the Intertek name for the sale or advertisement of the tested material, product or service must first be approved in writing by Intertek. Initial Factory Assessments and Follow up Services are for the purpose of assuring appropriate usage of the Certification mark in accordance with the agreement, they are not for the purposes of production quality control and do not relieve the Client of their obligations in this respect.

## Test Verification of Conformity

On the basis of the referenced test report(s), sample(s) of the below product have been found to comply with the harmonized standards and Directives listed on this verification at the time the tests were carried out. Other standards and Directives may be relevant to the product.

Once all product relevant  mark directives are verified in compliance, the manufacturer may indicate compliance by signing a Declaration of Conformity themselves and applying the mark to product identical to the test sample(s) if the product complies with all relevant CE mark Directives requirements.

## ASSESSMENT REPORT PROPOSAL IN COMPLIANCE WITH REACH

**NO. RT-SVHC-010-1000114**
**DATE: Jan. 28, 2010**

We have been commissioned by the client to conduct REACH compliance assessment on their products (Contract No.: RT-SVHC-010-1000114). We have assessed the client's product under the European Regulation (EC) No 1907/2006 (hereinafter referred as REACH Regulation), including product categories, substances list, SVHC (Substances of Very High Concern) as well as the client's responsibilities and obligations for this product under REACH Regulation. The result and findings of the assessment and our proposals are described as follows:

### 1. Client's Information

<b>Name:</b>	NANTONG NALI SPORTING INDUSTRIAL CO., LTD.
<b>Address:</b>	
<b>Name of the contact person:</b>	Jackson
<b>Tel:</b>	+86-513-85539895
<b>Fax:</b>	+86-513-85538925

### 2. Product Identification

<b>Product name:</b>	BC128 Threaded Dumbbell Handle 1"x14", BC134 Star Lock Collar, WP023 Colour Rubber Plate (blue, green, red, yellow), WP023B Black Rubber Coated Plate, WP030 Black Painted Plate, WP046 Grey Plate, WP058 Chromed Plate.
<b>Type/ model:</b>	N/A
<b>Physical appearance/colour:</b>	Solid/multicolor
<b>Product type:</b>	Article

### 3. Product Substances Information

#### 3.1 Substance on its own or in mixtures

Index	Substance name	CAS No.	EC No.	Tone
N/A	N/A	N/A	N/A	N/A

#### 3.2 Substance in article intended to be released

Index	Substance name	CAS No.	EC No.	Tone
N/A	N/A	N/A	N/A	N/A

#### 3.3 SVHC (Substance of Very High Concern) in article (Details see Annex 1)

Note: Without written approval of Chemical Inspection & Regulation Service Ltd, the assessment report cannot be reproduced except in full.

Address: Singleton House, Laurence Street Drogheda, Co. Louth, Ireland  
 Tel: +353 41 9806916 Fax: +353 41 9806999 Website: www.cirs.ie

## 4. Responsibilities and Obligations

### 4.1 Registration

**4.1.1** According to the definition in Article 3(3), Chapter 2, Title I, the client's products, BC037 Threaded Dumbbell Handle 1"x14", BC047 Star Lock Collar, WP002 Colour Rubber Plate(blue, green, red, yellow), WP023B Black Rubber Coated Plate, WP030 Black Painted Plate, WP046 Grey Plate, WP058 Chromed Plate are regarded as "Article" under REACH Regulation.

**4.1.2** According to Article 7(1), Chapter 2, Title 2 of REACH Regulation, there is no substance intended to be released under normal or reasonably foreseeable conditions of use in the client's product. Therefore, registration is not required.

### 4.2 Notification

As the concentrations of the SVHCs defined in Article 57 of REACH Regulation in the client's products are less than 0.1% weight by weight (w/w), the obligation of notification is not required according to Article 7(2) under REACH Regulation.

Note: Dissenting views, questioning the application of the 0.1 % threshold to the entire article have been notified by 6 Member States (Austria, Belgium, Denmark, France, Germany and Sweden) and this calculation method was not endorsed by these Member States.

In this report, we adopt the opinions from these Member States that the 0.1% threshold should relate to individual articles, parts or materials that a complex article consists of.

### 4.3 Information Communication down the Supply Chain

As the concentrations of the SVHCs in the client's product are less than 0.1% weight by weight (w/w), the obligation of communicating information down the supply chain is not required in accordance with Article 33 of REACH Regulation.

### 4.4 Others

#### 4.4.1 Authorisation

Since the manufacture of this product is based outside the EU, and the lifecycle of related substances outside EU is irrelevant with respect to REACH Regulation, there is no obligation of authorisation required for the client's product.

#### 4.4.2 Restriction

The directive on marketing and use of dangerous substances 76/769/EEC have been repealed since 1 June 2009, and the client should follow the restriction conditions outlined in Annex XVII in REACH Regulation from then on.

As we haven't received any testing request of Restricted Substance from our client, the detail of restricted substance in the product is unknown.

## 5. Assessment Conclusions

According to the product information provided by the client and related Articles of REACH Regulation, we draw the conclusion that:

**The products supplied by the client comply with REACH Regulation about SVHC as it currently stands.**

## 6. Proposal for REACH Compliance

**6.1** The client should inform his downstream users as soon as possible that the products mentioned above

Note: Without written approval of Chemical Inspection & Regulation Service Ltd, the assessment report cannot be reproduced except in full.

comply with REACH.

6.2 The client should pay constant attention to the SVHCs in the candidate list and fulfil related obligations if necessary. This list may be updated regularly and it is important to monitor any changes to it.

6.3 The client should pay special attention to the restricted substance in the annex XVII.

6.4 The client should ensure the exported products are consistent with the sample provided to Chemical Inspection & Regulation Service Limited in material, vendors and production process.
