

CERTIFICATE OF QUALITY AND WARRANTY

Product Type: Pro-Street QUASAR XS 30 N/50 N; Pro-Street QUASAR S 80 N

Date: "17" august 2021

This certificate certifies the quality of the product delivered and its consistency with the international standards corresponding to the class in which it falls.

The product benefits from the warranty, technical support and free service for a period of **60 months** from the date of its installation. During the warranty period, the buyer has the right to repair the product and replace the defective parts or subassemblies from the manufacturer's fault.

This product has electronic and mechanical subassemblies that require careful manipulation.

In order to benefit from the guarantee, the buyer has the following obligations:

- comply with the conditions listed above and to use the product according to the instructions for use;
- Pasting the product in good conditions
- The emergence of an abnormal situation in the operation of the equipment to announce the service agent who serves it. After checking whether the conditions of use are met; It is forbidden the intervention on the product of unauthorized persons.
- Pasting with care This Warranty Certificate

Failure to comply with the above obligations attracts the loss of warranty.

From the warranty are excluded:

- parts of the consumable nature
- Defects caused by overloads, interruptions or incorrect electrical power supply - defects due to the wrong connection of optional accessories.
