

WUNDER FİLTRE A.Ş.

CERTIFICATE of parts quality

Manufacturer: WUNDER FİLTRE A.Ş.

Brand: NRG

This is to certify that the automotive filters supplied under the brand **NRG** are manufactured by **Wunder Filtre A.Ş.** in accordance with the highest industry standards and quality requirements.

Our production complies with the following international certifications and standards:

- **ISO 9001:2015** – Quality Management System

Wunder Filtre A.Ş. utilizes advanced manufacturing technologies, rigorous quality control processes, and premium-grade raw materials to ensure the highest level of performance, durability, and efficiency. All filters undergo comprehensive testing and verification procedures to meet the specifications required for modern vehicles.

The products supplied under the **NRG** brand meet or exceed OEM (Original Equipment Manufacturer) standards, ensuring reliable operation and optimal vehicle performance.

This certificate confirms that the **NRG** filters manufactured by Wunder Filter are suitable for use in various automotive applications and comply with the necessary regulatory and industry requirements.
