Annex B.2 Lots the bidder intends to bid for

Please indicate the lots you are interested in bidding for by ticking the following boxes as appropriate

| | |
|----------------|-------------------------------------|
| LOT 1 – Ocnita | <input checked="" type="checkbox"/> |
| LOT 2 – Edinet | <input checked="" type="checkbox"/> |
| LOT 3 – Soroca | <input checked="" type="checkbox"/> |

Instructions:

Bidders need to fill in column D and Annex B.2 with the geographical locations they can cover, which can be multiple locations.
 Bidders need to fill in column E with the number of weeks required to execute construction works for selected projects that they are able to cover (can be single or all at the same time, in the indicated timeline).
 Bidders need to highlight the weeks they are available to do the construction work in each selected location and indicate if they can perform the tasks in parallel.
