

# CERTIFICATE

This is to certify that

## VWR International Europe bvba

Researchpark Haasrode 2020  
Geldenaaksebaan 464  
3001 Leuven  
Belgium

with the organizational units/sites as listed in the annex

has implemented and maintains a **Quality Management System**.

### Scope:

Sales and supply of branded and private label chemicals, consumables, laboratory equipment, furniture, laboratory information systems and medical devices from global leading developers and manufacturers of those products to customers in the life science, general research and applied markets, including the biopharma, agricultural, chemical, environmental, food and beverage, healthcare, microelectronic and petrochemical industries, as well as governmental agencies, universities, primary education and research institutes and environmental organizations; manufacture of private label products, primarily laboratory and production chemicals including custom manufacturing solutions used in biopharmaceutical and industrial applications and production processes; provide value-added service offerings marketed under the VWRCATALYST® brand including sourcing and procurement, logistics, chemical and equipment tracking and sample management, technical services in-house and at customer sites including installation, maintenance, qualification, calibration and repair of laboratory equipment, and supply of training services.

Through an audit, documented in a report, it was verified that the management system fulfills the requirements of the following standard:

## ISO 9001 : 2015
