e-mail: office@eie.com.pl www.eie.com.pl

To whom it may concern

At the request of the company Aelo Grup SRL,

as manufacturer of the product, EiE confirms that the device Sonotronic US-2:

1. Allows frequency switch mode setting.
2. Has automatic current flow testing during treatment.
3. Includes internal treatment protocol library: 79 protocols.
4. Allows saving (memorizing) up to 200 user own programs.

Otwock, 2025.11.12

Signed:

Adam Lewandowski
