

22nd September 2021

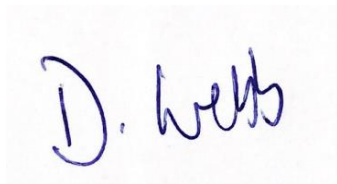

Declaration of Conformity

SHS International Limited (SHS) is registered under the UK and EC quality system, BS EN ISO 9001:2008 and ISO 22000:2018. Copies of the relevant certification are attached to this statement.

Certificates of Manufacture and Free Sale are issued by the City of Liverpool Environmental Health Services who periodically inspect the SHS site and can therefore certify that the products are manufactured under hygienic conditions in accordance with the requirements of the Food Hygiene (England) Regulations (2006).

All In-house testing is carried out in internal laboratories which are audited to the requirements of ISO 9001 and all testing is carried out the principles of Good Manufacturing Practice (GMP) in the UK.

For tests which need to be carried out by external companies, only approved laboratories, which have been audited according to Danone Corporate Standards, are used.
