This Declaration of Conformity is issued under the full applicant responsibility in product verification confirmation for accordance to European Directives: European Parliament and of the Council of the European Union Low Voltage Directive 2014/35/EU, Electromagnetic Compatibility Directive 2014/30/EU and Machinery Directive 2006/42/EC. During the inspection, the most representative samples of the same product type was tested. The applicant ensures that all products that produced in a series meet the same standards as the test sample. This document does not exempt the applicant from passing the check on compliance with other European Directives. The validity of the Declaration of Conformity is unlimited. The Declaration of Conformity will be re-issued if the technical characteristics of the products mentioned in this document will be changed, as well as if will change the regulatory documents for the compliance which was the verification.

Signed for and on behalf of the manufacturer by:
**Roman ZELINSKYI, Director
Issued Date: 24.04.2024**
