The certificate of conformity is based on an evaluation of a sample of the above mentioned product. Technical report and documentation are at applicant's disposal. This is to certify that the tested sample is in conformity with all provisions of Annex of Council Directive BEK generator in its latest amended version, referred to EMC Directive. The certificate does not imply assessment of the production and does not permit the use of Lab's logo. The applicant of the certificate is authorized to use this certificate in connection with EC declaration of conformity to article 10.1 of the Directive.
