CRAFTING EXPERIENCES

EXPERIENCE

Director of Event Experiences

Seven Media 2017

Crafting Engaging Events with Precision & Strategy

- Planned and executed events, including conferences, corporate gatherings and brand activations.
- Created and managed event budgets
- Developed creative event concepts that enhanced brand presence and audience engagement.
- Oversaw end-to-end event logistics, including venue selection, catering, AV setup and staffing.
- Managed stakeholder communication, ensuring seamless collaboration between internal teams and external partners.
- Implemented post-event evaluation processes to measure success and optimize future events.

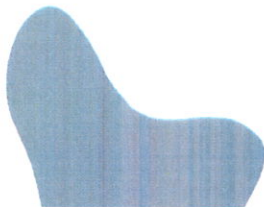

Executive producer

Hi Film Production 2004-2017

Technical Director NexT Film Festival 2007-2017

Responsible for organizing professional film shoots for movies and commercials, budgeting, contracting necessary personnel and equipment, coordinating the crew and ensuring communication between producers and film teams.

- Oversaw the production of films, managing budgets, schedules and creative development from pre-production to post-production.
- Coordinated with directors, writers and production teams to ensure seamless execution of film projects.
- Negotiated contracts and secured budgets.
- Managed on-set operations, problem-solving logistical challenges to keep productions on track and within budget.
