## Letter of recommendation

We express our appreciation for our collaboration, LKW WALTER, with the company SRL Bertontrans.

We chose to collaborate with the company SRL Bertontrans as a provider of international freight and logistics services, due to the special quality of the services provided and the efficiency of the work process. At the same time, the team of SRL Bertontrans, through the professionalism of its members, has always offered support in choosing the best options and solutions for our requests related to the international transport of goods.

We recommend SRL Bertontrans, as a professional and reliable collaborator for MOBIASBANCA - OTP Groupe SA and we appreciate its quality services and the flexibility of the solutions offered that differentiate it in a favorable way from its competitors.

Mit freundlichen Grüßen
