

LANXESS Deutschland GmbH

To whom it may concern

Vulknaox® BHT (technical grade RoHS confirmation

Dear Sir or Madam,

we hereby confirm that the above cited products comply with the requirements of the following EU Directive:

2002/95/EC on the restriction of the use of certain hazardous substances in electrical and electronic equipment ("RoHS- Directive") including further amendments until today like e.g. ban of deca-BDE and its successor 2011/65

On the basis of the knowledge of the raw materials and the manufacturing process we confirm that the above cited products - apart from possible ubiquitous traces – do not contain lead, mercury, hexavalent chromium, cadmium, polybrominated biphenyls and polybrominated diphenyl ethers. For this reason, the above mentioned materials are not determined and are not part of the specification.

Yours sincerely,

LANXESS Deutschland GmbH

Kevin Schmid

This information and our technical advice – whether verbal, in writing or by way of trials – are given in good faith but without warranty, and this also applies, where proprietary rights of third parties are involved. Our advice does not release you from the obligation to check its validity and to test our products as to their suitability for the intended processes and uses. The application, use and processing of our products and the products manufactured by you on the basis of our technical advice are beyond our control and, therefore, entirely your own responsibility. Our products are sold in accordance with the current version of our General Conditions of Sale and Delivery.

For the US this letter is only of consultative character: In the United States of America the LANXESS business is conducted by LANXESS Corporation, Pittsburgh, PA. Customers in the US are kindly asked to address their requests directly to this legal entity.
