Infografica

4.

Moldovans love the New Year so much that they celebrate it twice: the new and old styles, i.e., on the 31st of December and the 13th of January.

5.

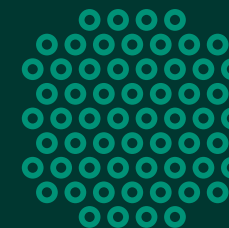

During the times of the Soviet Union, Moldova produced food for astronauts. Here, unique technologies and methods of production and storage of fruit and berry products were developed.

6.

Most Moldovans are bilingual and fluent in at least one foreign language.

7.

Black soils (chernozem) in Moldova are the most fertile soils in the world.
