

Centrifuge Tube

Feature

- Three types of volume 15ml, 50ml and 200ml
- Maximum RCF 9,400 xg
- Temperature range -80°C~120°C
- Leak proof under negative 96 kpa
- Conical bottom and self-standing bottom
- Two types of irradiation Gamma and E.O.
- Clear graduation graved on conical bottom
- RNase-free, DNase-free and Non-pyrogenic

Packaging information

- Sterilized by Gamma irradiation
- Heat-sealed bag, Zip bag, Foam rack, PS rack for choices
- Cartons are customized for protecting products.
- Lot number is printed on packaging for tracking

Sorfa centrifuge tubes are applicable in molecular biology as disposable laboratory consumables which are manufactured from high transparency polypropylene. Three types of volume are available to meet general need: 15 ml, 50 ml and 200 ml. A ring molded on inner surface of cap make an excellent seal to prevent leak of liquid. Marking area is printed in white to make tube easy for identification. Clearly graduation in black on the surface is helpful for users to calibrate. Preferably, 3 ml graduation molded on conical bottom improves the accuracy of centrifuge tube.

Packaging and Feature

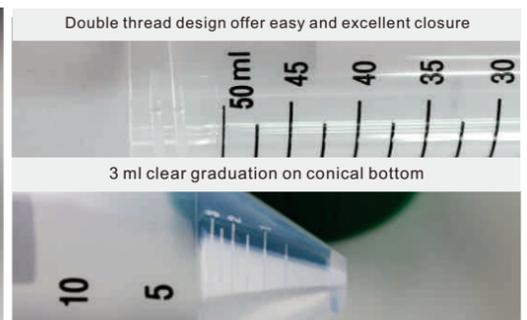

Cat NO.	Volume	Description	Sterile	Packaging	Price
T121- 1	15	conical bottom green screw cap	NO	Bulk bag,100pcs/bag,1000pcs/ctn	
T121-2	15	conical bottom green screw cap	Gamma	Zip bag,50pcs/bag,1000pcs/ctn	
T121-3	15	conical bottom green screw cap	E.O.	Heat-sealed bag,50pcs/bag,1000pcs/ctn	
T121-4	15	conical bottom green screw cap	Gamma	Plastic rack,50pcs/rack,1000pcs/ctn	
T121-5	15	conical bottom green screw cap	Gamma	Foam rack,50pcs/rack,1000pcs/ctn	
T124- 1	50	conical bottom green screw cap	NO	Bulk bag,100pcs/bag,1000pcs/ctn	
T124- 2	50	conical bottom green screw cap	Gamma	Zip bag,50pcs/bag,1000pcs/ctn	
T124- 3	50	conical bottom green screw cap	E.O.	Heat-sealed bag,50pcs/bag,1000pcs/ctn	
T124- 4	50	conical bottom green screw cap	Gamma	Plastic rack,50pcs/rack,500pcs/ctn	
T124- 5	50	conical bottom green screw cap	Gamma	Foam rack,25pcs/rack,500pcs/ctn	
T125- 1	50	self-standing bottom	NO	Bulk bag,50pcs/bag,500pcs/ctn	
T125- 2	50	self-standing bottom	Gamma	Heat-sealed bag,25pcs/bag,500pcs/ctn	
T126	200	self-standing bottom	Gamma	Heat-sealed bag,6pcs/bag,96pcs/ctn	
T131	50	PS rack, 50 wells	NO	5pcs/bag,200pcs/ctn	
T132	25	PS rack, 25wells	NO	5pcs/bag,200pcs/ctn	

15ml centrifuge tube in plastic rack

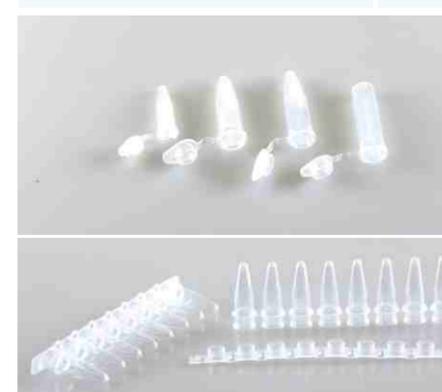

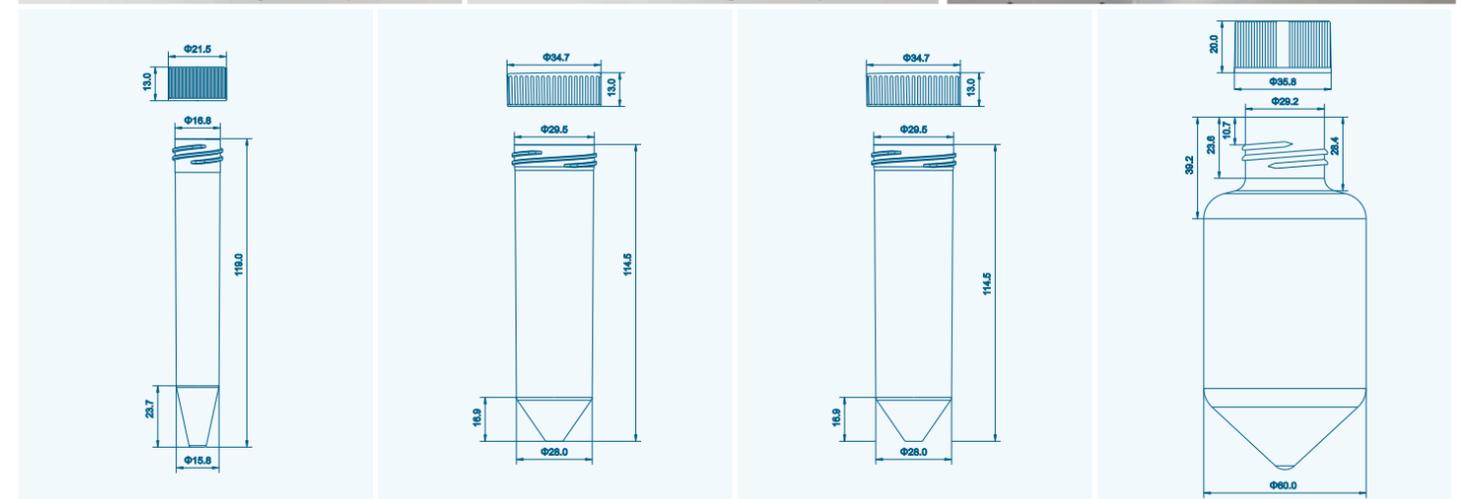

50ml centrifuge tube in plastic rack

Double thread design offer easy and excellent closure

3 ml clear graduation on conical bottom

Cat NO.	Volume	Description	Packaging
T002	0.2	with graduation and lid, conical bottom	1,000 pcs/bag, 20,000pcs/ctn
T004	0.5	with graduation and lid, conical bottom	1,000 pcs/bag, 10,000pcs/ctn
T006	1.5	with graduation and lid, conical bottom	500 pcs/bag, 10,000pcs/ctn
T008	2.0	with graduation and lid, round bottom	500 pcs/bag, 10,000pcs/ctn
T016	0.2	PCR Tube 8 stripe	200 pcs/bag, 4,000pcs/ctn
T017	0.2	PCR Tube 12 stripe	200 pcs/bag, 4,000pcs/ctn
