

MEDIA SHOW GRUP[®]
YOUR AGENCY OF STRATEGIC INITIATIVES

Media Show Grup» One of the most well-known event agencies in Moldova and beyond. Since 2006, we have been combining innovation, modern technologies, professionalism, and creativity to create unforgettable and unique events.

Among the company's competencies are corporate and marketing communications, digital promotion, and organising large-scale events. We are an event marketing agency. Our projects are a collaboration of creativity, live communications, and project management.

«Media Show Grup» - A team of professionals in creativity, technical solutions, design, and marketing, united by common values. We approach the development of concepts creatively, the processes and deadlines disciplinarily, and the clients individually. We are trusted by the largest local and international companies from various industries
