## SELECTION AND AWARD CRITERIA

### 16. Selection criteria

The following selection criteria will be applied to the tenderers. In the case of tenders submitted by a consortium, these selection criteria will be applied to the consortium as a whole. if not specified otherwise. The selection criteria will not be applied to natural persons and single-member companies when they are sub-contractors.

**1) Economic and financial capacity of the tenderer** (based on item 3 of the tender form). In case of tenderer being a public body, equivalent information should be provided. The reference period which will be taken into account will be the last three years for which accounts have been closed.

1-Current ratio (current assets/current liabilities) in the last year for which accounts have been closed must be at least 1. In case of a consortium this criterion must be fulfilled by each member.

2- The average annual turnover of the tenderer over the last three financial years must exceed EUR 5,000 (five thousand euro);

**2) Professional capacity of the tenderer** (based on items 4 of the tender form).

The reference period which will be taken into account will be the last three years from submission deadline.

- has a professional certificate appropriate to this contract, such as ISO9001 or equivalent;
- at least 2 experts certified staff currently work for the tenderer in fields related to this contract;

**3) Technical capacity of candidate** (based on items 5 and 6 of the tender form). The reference period which will be taken into account will be the last three years from submission deadline.

- the tenderer has provided services under at least 3 contracts each with a budget of at least that 5 000 Euro, within the promotion events field, which were successfully implemented at any moment during the last three years.

Previous experience which would have led to breach of contract and termination by a Contracting Authority shall not be used as reference. This is also applicable concerning the previous experience of experts required under a fee-based service contract.

An economic operator may, where appropriate and for a particular contract, rely on the capacities of other entities, regardless of the legal nature of the links which it has with them. It must in that case prove to the Contracting Authority that it will have at its disposal the resources necessary for performance of the contract, for example by producing a commitment on the part of those entities to place those resources at its disposal. Such entities, for instance the parent company of the economic operator, must respect the same rules of eligibility - notably that of nationality - and must fulfil the same relevant selection criteria as the economic operator. With regard to technical and professional criteria, an economic operator may only rely on the capacities of other entities where the latter will perform the works or services for which these capacities are required. With regard to economic and financial criteria, the entities upon whose capacity the tenderer relies, become jointly and severally liable for the performance of the contract.

## **17. Award criteria**

Best price-quality ratio.
