LinkedIn profile: [www.linkedin.com/in/nicolailoghin](http://www.linkedin.com/in/nicolailoghin)

### PROFILE SUMMARY

**Knowledge & experience in:** business process management, non-profit management, sectorial analysis, agri-food economy, entrepreneurship and international development, market access and competitiveness, organizational evaluation.

Nicolai Loghin has a 5-year experience in organizational management in both for-profit and not-for-profit entities. From 2015 to 2018, Nicolai was the Executive Director of Center for Organizational Consultancy and Training (CICO) – a non-profit organization that aims to strengthen organizational capacities of non-profit organizations, public institutions and Small and Medium Enterprises. He has also large experience in operational management, logistics and digitalization of the agriculture as he was the General Director of the “Studio of Agricultural Systems” in Moldova from 2017 to 2018.

Nicolai joined the Gateway and Partners Moldova team in 2018. As a part of the team, Nicolai is responsible in sustaining local export development by helping engage companies, agencies and organizations in internationalization efforts.

During the last 3 years, Nicolai was the author of the Civil Society Organizations Sustainability Index (CSOSI), a USAID initiative that aims to monitor the development of the CSOs capacities and the civil sector in general. Based on this methodology, Nicolai analyzed, among others, the role of the business people associations and lobby and advocacy organizations in Moldova and the legal framework regulating their activity.

Nicolai hold a bachelor degree in organizational management at Free International University of Moldova, French section and a master degree in “Finance and control in agri-food sector” at State Agrarian University of Moldova.
