

TECHNICAL DATA SHEET

DESCRIPTION : **CLAMP ELECTRODES FOR ECG RECORDING
ADAPTABLE TO ANY CONNECTION, IN AG/AGCL**

Manufacturer: CERACARTA S.P.A.

Packaging: 4 pieces/SET – 24 PCS/BOX

ITEM CODE : adults : 10017 pediatric : 14622

Characteristics: Clamp electrode with a non-metallic Ag/AgCl sensor having the same structure and composition as the sensor used for the pregelled electrode meeting all the requirements of the AAMI standards, i.e an electrode which recovers after defibrillation.
