DR HELEWA PRE-MOISTENED & NO-RINSE ECONOMIC WASH GLOVE x12

DESCRIPTION

- Quick and safe bed bath
- Infection control

The pre-moistened wash glove provides a quick and efficient bed bath for dependent patients without using the traditional combination of basin and water. Its high viscose content and the no-rinse cleansing lotion enriched with Aloe Vera enable a soft, quick and efficient bed bath. Following use, the pre-moistened wash glove can be disposed of with household waste or according to the current protocol.

CHARACTERISTICS

INSTRUCTIONS FOR USE

Recommended for bedridden, incontinent or dependent patients, and where there is a risk of infection
