QUALITY CERTIFICATE

Product code VSL-26B
Product name ANTI-RUST LUBRICANT
Product class Car care product

Characteristics	Standard	Test result
1,Appearance	Transparent	Conform
2,Temperature Range	-10°C-45°C	Conform
3.Osmosis time	20sce	Conform
4, dissolution velocity	20-40sec	Conform

Composition/ information on ingredients:

composition	Concentration range
osene	50-60%
etroleum distillates	0-30
Motor oil	0-15%
Emulsifier	3-8%

Guangzhou Veslee Chemical confirm that VSL-26B ANTI-RUST LUBRICANT is produced in accordance with all the standards of our production facility in Guangzhou Veslee Chemical.
