

High Performance Temperature Controlled Polar Box

- Interlocking PCM, easy pack out
- Changing different PCM to achieve different temperature controlled
- Carry GPRS temperature data logger, supervise through computer and mobile phone APP at any time.
- Accuracy temperature controlled range from 36h to 96h
- Offer individually tailored cold chain solution

PCM technology to control the temperature

Patent ice pack

Pink ice pack (0°C Above)

+2/+5°C/+18°C/+25°C

White ice pack (0°C)

Green ice pack

-5°C/-10°C/-18°C/-25°C

Item No.	Inner Size Outer Size	Payload Capacity	Cold Life for 2-8 C
INO-126	230x230x230 350x350x350	5.8L	36h
INO-326	316x316x316 440x440x440	18.4L	48h
