

Dear Madam/Sir,

This is to confirm that during August 2022, SC "Neotec" SRL has executed a contract no. MD-MHLSP-301648-GO-RFQ signed with the Ministry of Health, for the Procurement of Shimadzu RadSpeed Digital radiographic system (with vertical bucky), within the Moldova Health Transformation Project (ID No. P144892), implemented by the Ministry of Health of the Republic of Moldova.

It is worth mentioning that the SC "Neotec" SRL has fulfilled all its obligations under the named contract and carried out all the planned activities successfully, in timely manner and with a high professionalism.

Best regards,

Natalia Belicov
Project Coordinator
