REFERENCE LETTER

TO WHOM IT MAY CONCERN

I would like to express my satisfaction on UNDP collaboration with QUO VADIS Educational Centre. In the period of 2012-2014 the QUO VADIS Educational Centre provided a 96-hour English Language Course for Members of Parliament and parliamentary senior staff.

The English course was not only designed around the specific needs of our learners, but also managed by an experienced and professionally qualified team of QUO VADIS teachers and administrators. Thus before the start of the course all the students had taken a level test to determine the exact level of English. Consequently, the groups were formed by the following levels of language proficiency:

1. Elementary
2. Pre-Intermediate
3. Intermediate
4. Upper-Intermediate

The classes were held twice or three times a week for two/three academic hours either at QUO VADIS premises (82, A. Sciusev str.) or at the Ministry of Agriculture (162, Stefan cel Mare str.)

I would like to empathize that QUO VADIS Educational Centre is an acknowledged and widely recognized international language teaching leader in Moldova. The center was confident of providing the highest academic standards, progressive teaching methods and approaches, such as the 'Communicative Approach' that works to develop all four language skills.

Modern educational technology and thoroughly selected didactic materials ensured the learning process to be the most enjoyable, successful and productive. The QUO VADIS teachers managed to create an interactive and friendly environment that highly motivated the learners to progress in their language fluency. All the objectives were fully accomplished, and the learners were completely satisfied with the services provided.

As a result, the learners acquired necessary English language knowledge which level corresponds to the Common European Framework of Reference for languages.

We highly recommend the QUO VADIS Educational Centre for your consideration.

Please do not hesitate to contact us if you need any further information.

Yours sincerely,

Sergiu Galitchi
Programme Manager
UNDP Democracy Programme
