Statement of Commonality

We: Sepura Limited
Of: 9000 Cambridge Research Park
Beach Drive, Waterbeach
Cambridge, CB25 9TL
United Kingdom

Hereby declare that the:

SCG Mobile Series TETRA radio products of Sepura to which this statement relates is, in all respects relevant to TETRA Interoperability Profile testing equivalent to the Sepura **SRG3900 Mobile Series** products being based on the same software code implementing the MAC, layer 2, and layer 3 protocols in accordance with Edition 2 of EN 300 392-2 and TIP specifications as certified in published IOP certificates.

Therefore, **SCG Mobile Series** products will equally support any and all of the functionality that it has the capability of supporting that has been demonstrated by the **SRG3900 Mobile Series** products during TIP Interoperability Testing, on all the frequency bands for which the product is available.

Similarly, we declare that any one of the

SRG3900 Mobile Series of Sepura TETRA Radio products will equally support any and all of the functionality demonstrated by any one of the **SCG Mobile Series** products during TIP testing, on all the frequency bands for which the products are available.

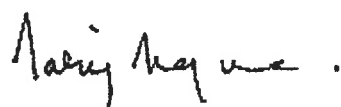

For and on behalf of Sepura Limited,

Authorised signatory:
