

- > Polipropilen
- > Maksimum hacme kadar kolay aspirasyon
- > Minimum kalıntı hacmi
- > Yüksek sızdırmazlık
- > Kolay ve konforlu piston hareketliliği
- > Güvenlik için piston durdurma noktası
- > Medikal kağıt ve tıbbi malzeme üretimine uygun şeffaf film ambalaj
- > EO Sterilizasyon

- > Made of polypropylene
- > Easy aspiration up to maximum volume
- > Minimal residual volume
- > High impermeability
- > Easy and comfortable piston movement
- > Safe plunger backstop
- > Medical grade blister packing consisting of transparent film
- > EO Sterilization
