Service in Ukraine Army Forces

UAF

Service in Ukraine Army Forces (Major, Head of Research Laboratory, Research Institute of Military medicine of UAF)

PROJECTS

June 2017 - July 2017

Project role

Project description

Technologies

IT-infrastructure modernization

Head of Microsoft Solutions Department - Project Manager, Solution Architect, Technical Consultant

Microsoft IT-services modernization for bank

DNS

August 2016 - April 2017

Office 365 Implementation

Project role	Head of Microsoft Solutions Department - Project Manager, Technical Lead
Project description	Office 365 architecture design and implementation for agriculture company
Technologies	
January 2017 - February 2017	SAM
Project role	Head of Microsoft Solutions Department - Project Manager, Technical Consultant
Project description	SAM audit for telecom operator
Technologies	
September 2016 - February 2017	Office 365 implementation
Project role	Head of Microsoft Solutions Department - Project Manager, Solution Architect
Project description	Architecture design and Implementatuion of Office 365 (E5 plan) for telecom operator
Technologies	
December 2016 - December 2016	SAM
Project role	Head of Microsoft Solutions Department - Project Manager, Technical consultant
Project description	SAM Audit for drinks distributor
Technologies	
September 2016 - December 2016	IT-infrastructure audit (Microsoft Servicves)
Project role	Head of Microsoft Solutions Department - Project Manager, Technical supervisor
Project description	Audit of Microsoft IT-Services for Ukrainian bank
Technologies	
September 2016 - December 2016	SAM
Project role	Head of Microsoft Solutions Department - Project Manager, Technical consultant
Project description	SAM audit for airport
Technologies	
November 2016 - November 2016	SAM
Project role	Head of Microsoft Solutions Department - Project Manager, Technical consultant
Project description	SAM audit for DIY retailer
Technologies	
June 2016 - July 2016	Skype for Business Server 2015 deployment planning
Project role	Head of Microsoft Solutions Department - Project Manager, Solutions Architect
Project description	SfB Architecture design for European Union Advisory Mission (EUAM) Ukraine
Technologies	
January 2015 - May 2016	Projects for Government Security Forces
Project role	Head of Microsoft Solutions Department - Solution Architect, Project Manager, Technical Consultant
Client	Government Security Forces

Project description	Projects for Government Security Forces: <ul style="list-style-type: none"> • IT infrastructure audit and strategy deployment • Core Infrastructure Services design and implementation • Corporate Mail System design and implementation (Exchange 2016)
Technologies	
February 2015 - May 2015	Office 365 Implementation and technical support
Project role	Head of Microsoft Solutions Department - Architect of Solution, Project Manager, Technical Consultant
Project description	Office 365 implementation and users migration for Ukrainian software developer company
Technologies	
October 2014 - December 2014	Office 365 implementation
Project role	Head of Microsoft Solutions Department - Architect of Solution, Project Manager, Technical Consultant
Project description	Office 365 architecture design and implementation, users migration to Office 365 for manufacturer of flexible packaging materials.
Technologies	
July 2013 - December 2013	Design and deployment Microsoft IT-Services
Project role	Principal Consultant in Business Support Solutions Department - Architect of Solution, Technical Consultant
Client	NADRA bank
Project description	Architecture Design and Implementation Microsoft Services in new datacenter for NADRA bank. Users migration.
Technologies	DNS
April 2013 - September 2013	Design and deployment IT-services (Microsoft)
Project role	Principal Consultant in Business Support Solutions Department - Architect of Solution, Technical Consultant
Project description	Architecture design and Implementation Microsoft services in new Datacenter: Active Directory, DNS, WINS, Time Service, DHCP, Microsoft PKI, Exchange 2013, SharePoint+Project (pilot).
Technologies	DNS
August 2012 - December 2012	Implementing the Uniform system of identification and authentication
Project role	Principal Consultant in Business Support Solutions Department - Architect of Solution, Technical and Project Manager, Technical Consultant
Project description	Design architecture and implementation of Active Directory for uniformed services of a state, AD consolidation and users\PC migration
Technologies	DNS
September 2011 - February 2012	IT-infrastructure migration
Project role	Principal Consultant in Business Support Solutions Department - Architect of Solution, Technical Manager, Technical Consultant
Project description	IT-infrastructure migration for Piraeus Bank ICB
Technologies	DNS
April 2010 - July 2010	Implementation core IT-services in new datacenter
Project role	Head of Collaboration Systems & Unified Communications Sector - Architect of Solution, Technical Consultant

Project description	<ul style="list-style-type: none"> • Architecture design and Implementation for set of services (Active Directory, DNS, WINS, DHCP, PKI, IAS, Exchange 2010). • IT-Services migration (Active Directory)
Technologies	DNS
August 2009 - April 2010	Implementation uniform systemic IT infrastructure
Project role	Head of Collaboration Systems & Unified Communications Sector - Architect of Solution, Technical Consultant
Project description	Design and Implementation of Microsoft Services for New Datacenter, Crossforest Users&Mailboxes migration
Technologies	DNS
August 2009 - December 2009	High-capacity territorially-distributed data-centers modernization
Project role	Leading Consultant in Microsoft Professional Service Group - Architect of Solution, Technical Consultant
Project description	<ul style="list-style-type: none"> -Architecture design and Exchange 2007 implementation with data migration from Exchange 2003 to Exchange 2007 (Cluster Solution) -Architecture design and Implementation with migration from Active Directory 2003 to ADDS 2008 R2, IAS to NPS -Designing Architecture and Implementing Modernization of PKI service
Technologies	
June 2009 - November 2009	Design and Implementation of IT-Services
Project role	Leading Consultant in Microsoft Professional Service Group - Technical Consultant
Project description	Designing Architecture, Implementing and Support set of services (Active Directory, DNS, WINS, DHCP, PKI, File Service, Exchange, MS Cluster
Technologies	DNS
March 2008 - July 2008	Design and Implementation IT-services for new corporate data center
Project role	Leading Consultant in Microsoft Professional Service Group - Technical Consultant
Project description	<p>Designing Architecture and Implementing set of services (Active Directory, DNS, WINS, DHCP, PKI, File Service, Print Service, Exchange, MS Clusters). ?</p> <p>Migration IT-services (Active Directory, DNS, Exchange) to new Data Center</p>
Technologies	DNS
February 2008 - April 2008	Designing Architecture and Implementing Public Key Infrastructure Service
