PORTER II

Diesel / Electric

PORTER II

Diesel

Practical and convenient, the PORTER II is a dependable partner for all of your business needs.

Basic applied items for 2023 PORTER II Diesel

Tilt steering wheel

Engine immobilizer

Extra Long Super Cab Premium (Creamy White)

Exterior

The clear head lamps, which feature daytime running lights, greatly enhance visibility, while the bumper guard and full-sized wheel cover create a modern look.

Clear type headlamps (4 lighting modes, with Daytime Running Lights)

Premium full-sized wheel cover

Body-colored outside mirror (turn signal lamps)

Bumper guard

* Above images may vary per model.

Extra Long Super Cab Premium

Interior & Convenience

The 8-inch H Genuine Accessories navigation system is easy to use, and the driver's seat features a breathable layer to provide a more pleasant driving experience.

Cruise control

3.5-inch mono LCD cluster
Ventilated driver's seat

8-inch H Genuine Accessories navigation system
5-speed automatic shifter (for car use)

* Terrestrial DMB is available in 320x240 (standard resolution) and 1,280x720 (high resolution). Reception may be hindered by the conditions of the radio signal propagation environment, DMB broadcast policy, and/or change(s) in the DMB provider's transmission methods. * The screen layout/design of the infotainment system may change with the regular updates. * Navigation map update service is guaranteed for 8 years after purchase of vehicle and may expire after that depending on situation of our company.

Safety

The PORTER II is equipped with diverse safety functions to ensure the safety of both the driver and passengers.

Forward Collision-avoidance Assist

If a collision risk is detected (e.g., when the vehicle in front suddenly slows down or a vehicle or pedestrian suddenly appears in front of you), the driver is given a warning. If the risk of collision escalates after the warning, the brakes are activated automatically.

Lane Departure Warning

This function keeps the vehicle from deviating from its lane while driving. If the vehicle departs from the lane (while moving faster than the designated speed) without the turn signal being used, a warning is sounded.

Parking Distance Warning-Reverse / Reverse Warning Buzzer

The reverse warning buzzer is sounded to prevent the vehicle from colliding with nearby objects while maneuvering at low speed as well as to protect pedestrians.

Airbags for the driver / front passenger

Performance

The 2.5 diesel VGT engine and 4WD system enable excellent driving performance.

2.5 diesel VGT engine

135 Max. Power PS/3,600rpm **30.0** Max. Torque kgf-m/1,500~2,500rpm
(5-speed automatic transmission, 2WD)

133 Max. Power PS/3,600rpm **26.5** Max. Torque kgf-m/1,250~3,500rpm
(6-speed manual transmission, 2WD/4WD)

Long Super Cab Premium (Creamy White)_4WD

6-speed manual transmission / 5-speed automatic transmission 4-wheels switch-over lever

* The Advanced Driver Assistance System (ADAS) is a group of functions that help the driver operate the vehicle more safely. Please make sure to drive carefully.
* Depending on the environment and driving conditions, the given function may not operate properly. Please refer to the manual for details.
* The above specifications are applied differently depending on the trim, powertrain, and options.

Capacity

The roomy double cab is made possible by the efficient separation of passenger and cargo spaces.

Double Cab

Double Cab-exclusive side step
Power windows (2nd row)

Extra Long Double Cab Premium (Creamy White)

PORTER II

Electric

The PORTER II Electric is an eco-friendly electric truck that is optimized for urban use.

Driving distance
per charge

211 km

High-speed charging

47 min (10→80%)
(with 100kW high-speed charger)

Max. Power

135 kW

Basic applied items for 2023 PORTER II Electric

Battery heating system (winter mode)

Tilt steering wheel

Outside mirror (power-folding)

* The above battery charging time is an outcome of room temperature tests conducted by Hyundai Motor Company's affiliated research facility. Actual charging time may vary depending on the battery's temperature, charging rate, and degradation and outdoor temperature. * The above driving range was calculated based on the standard driving mode of the Ministry of Trade, Industry and Energy's certification criteria. It may vary depending on driving conditions, driving style, loaded weight, vehicle's condition, and outdoor temperature. * A significant drop in the outdoor temperature (i.e. winter) may reduce the battery's performance and, therefore, increase the charging time and/or decrease the driving range.

Electric Extra Long Super Cab Premium Special (Creamy White)

Electric Extra Long Super Cab Premium Special

* The screen layout/design of the infotainment system may change with the regular updates.

Design

The 10.25-inch smart navigation system and unique bumper design create the image of a futuristic electric truck.

Body-colored bumper

15-inch tires & premium full-sized wheel cover

Convenience

The many features that have been applied to the PORTER II Electric for the driver’s convenience set a new standard for the urban electric truck.

10.25-inch navigation system (Bluelink, phone projection, Bluetooth hands-free, Hyundai CarPay) / Rear view monitor

* Can be used after creating Bluelink account.
* The screen layout/design of the infotainment system may change with the regular updates.

Electronic Parking Brake (with automatic vehicle hold) / Paddle shifters (regenerative control)

Charging port lid (combo type)
H Genuine Accessories
(220V portable charging cable / 5-pin slow-charging cable)

* The H Genuine Accessories charging cable is an aftermarket exclusive item that is available for purchase at Hyundai Shop(Shop.Hyundai.com) Hyundai Brand Hall.

Safety

With its improved safety features, the PORTER II Electric offers the safest driving experience.

Lane Keeping Assist
This function keeps the vehicle from deviating from its lane while driving. If the vehicle departs from the lane (while moving faster than the designated speed) without the turn signal being used, a warning is sounded. If lane departure is detected, steering assist is automatically engaged to keep the vehicle from deviating further.

* The Advanced Driver Assistance System (ADAS) is a group of functions that help the driver operate the vehicle more safely. Please make sure to drive carefully.
* Depending on the environment and driving conditions, the given function may not operate properly. Please refer to the manual for details.
* The above specifications are applied differently depending on the trim, powertrain, and options.

Driver Attention Warning
This function monitors and displays the driver's attentiveness while driving. If the driver's attention level drops to “poor,” a warning is sounded.

Line up Diesel / Electric

The PORTER II meets all of your business needs through its broad range of lineup.

Extra Long STD Cab Smart

Extra Long Super Cab Smart

Extra Long Super Cab Premium

Long Super Cab Premium_4WD

Extra Long Double Cab Premium

Electric Extra Long Super Cab Premium Special

Comparison of specifications per lineup

* For diesel model after fitted with bumper guard

* Long Cargo Compartment : STD Cab 2,785mm / Super Cab 2,535mm / Double Cab 1,860mm

* Long Overall Length : STD Cab 4,905mm / Super Cab 4,830mm / Double Cab 4,865mm * Long Overall Height : 2,100mm

Dimensions Diesel

* Extra Long Super Cab (with bumper guard installed)

Features

Audio (MP3 & CDP)
Rear guard
Full automatic air conditioning
Cargo box brim cover
Manual air conditioning
Selective Catalytic Reduction (SCR)

Maintain a constant speed to drive more efficiently.

- The above figures are based on the standard mode, and may be different from the actual figures depending on road conditions, driving habits, cargo, maintenance status, and outside temperature.
- The vehicles shown in the pictures of this brochure may have old fuel consumption ratings that differ from those provided here, depending on when they were manufactured.
- The vehicles shown in the pictures of this brochure may contain options, and therefore may be different from the actual vehicles ordered.
- The specifications and colors in this brochure are subject to change to improve the exterior and performance of the vehicles.
- The above engine performance results are NET figures. “NET” figures are calculated by taking into account the resistance of the emission gas, and may be lower than the previously used GROSS figures. Since 1997, the use of NET figures has been legally enforced by the Korean Ministry of Land, Infrastructure and Transportation.
- The colors of the vehicles in this brochure may be somewhat different from the actual colors.
- Hyundai Motor Company is committed to fair trade practices, with the same price and quality of vehicles nationwide.
- Use of engine oil or fuel that is of low quality may result in damage to the vehicle.
- For more information about the new technologies and specifications described in this brochure, please refer to a user's manual.

Dimensions

Electric

Specifications

Model	Fuel type	Rated voltage (V) / Capacity (Ah)	Curb weight (kg)	State-certified energy efficiency (electrical efficiency)			Driving distance per charge		
				City (km/kWh)	Highway (km/kWh)	Combined (km/kWh)	City (km)	Highway (km)	Combined (km)
Electric Extra Long Super Cab	Electric	327 / 180	1,930	3.6	2.7	3.1	238	177	211

* The above figures are based on the standard mode, and may be different from the actual figures depending on road conditions, driving habits, cargo, maintenance status, and outside temperature. * A drop in outdoor air temperature (in winter months) may result in a shorter range due to a decrease in battery performance.

How to purchase an electric car

* As the application's content (application methods, subsidy amount, etc.) varies per local government, please make sure to check the notification posted by the relevant local government.

01 Vehicle reservation

- Restriction of overlapping subsidy support for the same individual during mandatory period of use (two years)

02 Application for vehicle

- Fill out an application form required by the respective local government.
- Submit application to respective local government.
- Recipient eligibility is confirmed.

03 Vehicle release

- Verification of recipient and subsidy amount 10 days before release
- If there are no abnormalities, the vehicle is released. / After vehicle registration, the recipient may apply for the subsidy.

04 Issuance of charging card

- Select and apply for card to be used at public charging stations.

Wheels

Vehicle management service

This exceptional service addresses the needs of not only the purchased electric car but also the driver. Enjoy an efficient and high-quality lifestyle with your PORTER II Electric.

Driving distance per charge

211km

It is a practical electric vehicle capable of long-distance operation of 211 km beyond the city center.

High-speed charging (with 100kW high-speed charger)

47min

The use of a high-speed charging system allows the PORTER II Electric to charge from 10% to 80% in only 47 minutes, which makes it ideal for long-distance drives or when in need of a quick recharge.

* Charging time may vary due to external circumstances (e.g. outdoor air temperature).

Max. Power

135kW

The power generated by the 135kW motor, backed by a 58.8kWh battery, guarantees an enjoyable driving experience.

Free guarantee of electric car parts (8 years, 120,000km, including battery)

- **Exclusive parts:** Battery, Drive motor, Reducer, EPCU (inverter + direct current converter (LDC) + Electric vehicle system control device (VCU)), and Slow-speed charger (OBC)
- **Standard battery warranty :** 120,000km, 8 years [guarantees 65% of SOH]
※ SOH (State Of Health): Condition of a battery (health/durability at time of release) compared to its ideal state

Traveling charging service

- Through this service, a charging vehicle is dispatched to the customer's current location to charge his/her vehicle. ※ Service may be limited in some areas (e.g. highways/turnpikes).
- **Amount charged:** 7kWh (per charge, providing approximately 22 kilometers of range)
- **Usage limit:** 10 times per year (5 years for Blue Members or from date of membership application on www.hyundai.com)
- **How to apply:** myHyundai App or Customer Service (080-600-6000)

Consultation service for charging

- Provide consultation on and support for home charger purchase, installation, construction, and warranty services as well as charging cards, subscription-based electric vehicle charging, etc.
- SSCharger customer center: 1566-1704

Public charging (rapid/slow) locations

- Search for electric vehicle charging stations using the myHyundai mobile app.
- Also search for charging stations on the Ministry of Environment website (www.ev.or.kr), EV Infra mobile app, and other charging service apps.

Classification		Electric
Overall Length	(mm)	5,105
Overall Width	(mm)	1,740
Overall Height	(mm)	1,970
Wheel Base	(mm)	2,810
Wheel Tread	Front (mm)	1,485
	Rear (mm)	1,320
Cargo Compartment	Length (mm)	2,860
	Width (mm)	1,630
	Height (mm)	355
Upper Surface Height	(mm)	800
Max. Power	(kW)	135
Max. Torque	(Nm)	395
Battery	(kWh)	58.8
Energy efficiency	(km/kWh)	3.1
Driving distance per charge	(km)	211
Charging time	High-speed charger (100kW): 47min, (10→80%)	
	Slow charger (7.2kW): 8hr. 30min, (10→100%)	

* Charging time may vary due to external circumstances (e.g. outdoor air temperature).

Bluelink

The advanced technology of Hyundai's Bluelink system helps keep both the driver and the vehicle safe in any situation. Bluelink is always there to keep you safe, regardless of the location or time of day. Experience the unique joy of safe and comfortable driving.

Remote control

In the extremely hot summer or cold winter months, you can link your smartphone to the air conditioner or heater to set and control the temperature inside the vehicle. Enjoy a pleasant driving experience with Bluelink.

Safety security

The Bluelink Center works 24 hours a day, 365 days a year. If an airbag opens due to an accident, the Center automatically detects your location and takes appropriate actions according to the situation, such as contacting the police, ambulance, insurance company, etc.

Vehicle management

Services include real-time trouble detection while the vehicle is running and regular vehicle inspections on pre-arranged dates. In the event of vehicle trouble, immediate professional consulting is available, and you may conveniently make reservations for repair at the time and location of your choice.

Navigation

This function enables the driver to conveniently search for destinations through voice command and suggests optimum routes based on an independent analysis of real-time traffic information. The driver can search a database of up-to-date information to find even newly created destinations.

*Free of charge for 5 years for first-time Bluelink members after vehicle purchase. Light Service (emergency call, airbag deployment notification, monthly report, traffic data, etc.) is provided free of charge for additional five years.

*Certain functions (Digital Key 2, Hyundai CarPay, OTA (Over-The-Air) software updates, and wireless navigation system updates) are provided only to Bluelink members. Provided functions may vary by model.

*Over-The-Air software update is available during the Light Service period, and the features available may vary by model. *Inquiries: Bluelink Kakao Talk Customer Service Center (enter 'Bluelink' in Kakao Talk search screen and add as friend)
