

Pakten, All Over the World!

Our History

Pakten INC. started its operations at 2000s, as a first baby diaper producer of the region with following long research and feasibility studies at 2nd Industrial Zone in Gaziantep; Turkey.

Pakten produces 1.6 billion baby diapers, 236 million adult diapers and 73 million wet wipes with the brand of Önlem, Joyful, Holder and Curelex.

Pakten has innovative products and a wide product portfolio with the advantage of an **R&D center**, operates in many categories such as baby diapers, adult diapers, wet towels, adult pants.

Pakten's products, which produced by using superior and modern technology with investments made in production, was rewarded with **Consumer Quality Award and Consumer Appreciation Awards**.

In 2021, **Önlem Botanica** products were launched and added to the Önlem Baby Diaper product portfolio and it's the first and only baby diaper which owns 5 botanical extracts in Turkey respectedly.

In addition to 5 botanical extracts, products had been controlled with hundreds of tests against harmful substances and has been awarded with the **Oeko Tex Certificate**.

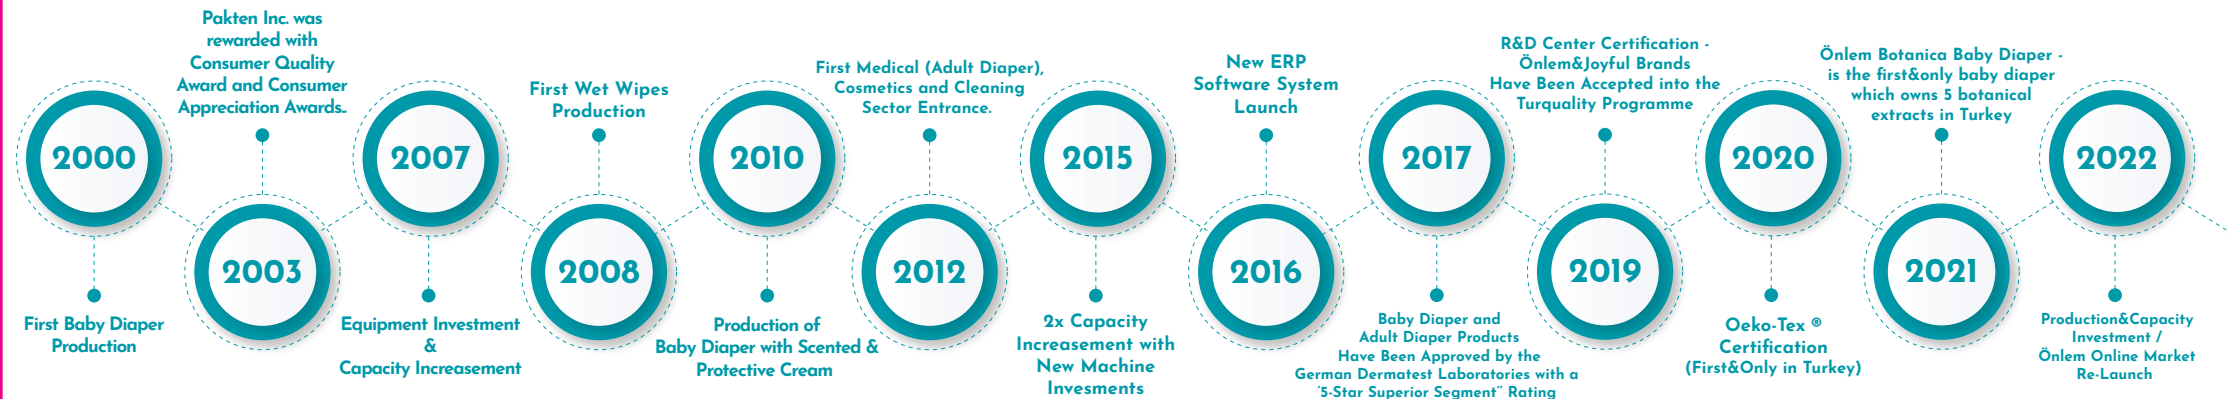

Önlem Botanica is the first and only **Oeko-Tex certified baby diaper produced in Turkey**.

Baby Diaper and Adult Diaper products are tested by **German Dermatest Laboratories** and approved with the "**5 Star Superior Segment**" rating.

Pakten supports Turkey's economy by exporting 70% of its products for 23 years.

By exporting to 70 countries, **Pakten** had the opportunity to promote its brands in many countries to many consumers.

With this pride and stability, **Pakten** is on its way to become a world brand within the scope of "**Turquality - Brand Support Program**".

Oeko-Tex Certified Production

Proven that it does not contain harmful substances as a result of hundreds of tests carried out in independent laboratories, it is the first and only certified baby&adult diapers and some wet wipes among the brands producing in Turkey.

It is a certification system that inspects all production stages from raw material to final product.

End products and product components are examined by independent testing companies by performing more than 500 tests.

Five-Star German Dermatest Approval

Clinical tests confirm the suitability of product for human skin at highest sensitivity level.

Our baby and adult diapers were clinically tested by reputable German laboratory 'Dermatest GmbH'.

Our goods passed all clinical tests of Dermatest and have been awarded the **5 Star Premium Quality** award. Thus, the quality of our products has been approved by **German Dermatest Laboratory**.
