

WARRANTY CERTIFICATE

All our products are guaranteed for 2 years or 1000 working hours. Our products are under a 10-year spare parts supply commitment. Conditions that are not caused by user error within 2 years or 1000 working hours are covered by the warranty. Maintenance is required for the first 50 hours and every 200 hours during the warranty period. Maintenance periods of the products must be declared to the manufacturer, otherwise the manufacturer is liable to exclude them from the warranty.
