

NOTES ON THE DISPOSAL OF OLD ELECTRICAL AND ELECTRONIC DEVICES

In connection with the sale of electrical and electronic devices, we are obliged to inform you of the following:

All electrical devices are marked with the symbol of the crossed-out wheeled garbage can.

The symbol of the crossed-out wheeled garbage can means that old devices must be collected separately from unsorted municipal waste. Old devices are not allowed to be disposed of with household waste.

LAUDA will gladly dispose your old devices, please contact our service for this.

Used batteries and accumulators that are not enclosed in the old device must be separated from it before being handed in at a collection point.

You are responsible for deleting personal data from the old devices to be disposed of.

Please observe the above instructions.
