Model Court Project

No. 157 dated April 27, 2023

To whom it may concern,

This is to confirm that the Model Court Project has availed of Realitatea Media SRL design services for the past two years and we have always been completely satisfied with its performance.

Realitatea Media produced different designs and layouts for the Model Court Project communication materials such as brochures, posters, flyers, newsletters, infographics, and visuals for social media. They also produced a series of illustrations for a legal literacy guide and provided editing and proofreading services for a manual developed by the Project team.

The designs Realitatea Media SRL produced were creative and of high quality. The company team was also very attentive to client feedback and needs and made all required adjustments in a short timeframe.

In summary, I highly recommend Realitatea Media SRL design services. Should you have any questions or need additional information, please do not hesitate to contact us.

Sincerely,

Natalia Vilcu
