

Product Group: **PREFILTRATION**

Part. No: **NAC-PT-PS-UG**

Name: **Prefilter 20dm**

Version: **2.0**

DESCRIPTION:

Filters larger dirt and rust particles.
Extends the life of primary filter cartridges.
Durable slim bowl design makes cartridge change outs easy to handle.
Clear housing lets you visually inspect trapped particles and makes determining when to change the cartridge easy.

- For tap water filtration
- Transparent filter housings
- Polypropylene head
- For 20 inch filters (50µm, 25µm, 10µm, 5µm, 1µm)

Item Material	Qty	UoM2	Component Description
SP-200	1	EA	Ball Valve 1 Brass
SP-451	1	EA	Clearly To Filter Casing 20
SP-454	1	EA	Holding Bracket For Casing Wtkf
SP-452	1	EA	Installation Wrench For Wtkf Casing
SP-1106	2	EA	Manometer 0-10 Bars Va D40
AS-340	2	EA	T-Piece 90° Level Pvc-U D25
SP-304	2	EA	Adapter Pvc D25-1/4
AS-339	2	EA	Socket Coupling Nipple D25-3/4 Pvc-U
SP-961	2	EA	Transition Socket Coupl Nip Pvc D25-1
AS-344	2	EA	Reduction Short Pvc-U D25-20
AS-343	2	EA	Pressure Hose Sockets Pvc-U D20

Technical Data:

Dimensions (cm):	60x17x17	Intrastat Code:	8421 21 00
Weight (kg):	1,2	Number of filters:	1
Material:	Polypropylene
