

# COMPANY PROFILE

**High Quality Cooling  
Equipment**  
*for* Scientific Research

## Company Profile

**LABOQUEST Inc.** ISO 9001:2015 certified company, is a leading producer of Laboratory Cooling Equipment which aims to provide a wide range of products to Life science, Research Institutions, Food Processing, Chemical and Pharmaceutical Industries.

We are specialized in designing, manufacturing of cooling equipment such as Blood Bank Refrigerators, Freezers, Freeze Dryers, Pharmacy Freezer, Pharmaceutical Refrigerators, Refrigerated Circulators, Ice Makers and many more.

Our team consists of professional engineer's expertise in structure designing, equipment development, innovative technology as well as customized services. The inspection procedures we perform will assure the customers with the product quality and secure their benefit. We also offer warranty and after-sales services additionally. We produce goods which are environment friendly, with advanced production-line and well-trained workers.

Laboquest range of products can comply with international certifications such as ISO & CE and are dedicated to supply quality products to all the consumers as well as partners from all over the world. We work hard and looking forward to be the international first-class enterprise with the quality management goal of orderly, continuous improvement and controllable risk.

Our basic principle is to focus on product quality, comply with the law and operation. We set goals to serve the society and offer best customer service.

Respect, responsibility, creditability and compliance with law, harmonious existence with society and environment as well as sustainability are considered as social responsibility and good enterprise citizenship in Laboquest.

We establish the corporate culture that guarantees the highest quality as core content and is being widely recognized among the leaders, staff and has been the codes of conduct.

Laboquest Inc., USA takes advanced facilities and management as its backup force in manufacturing capacity, utilizes leading flexible production mode and can meet requirements of an individual in accordance with different orders of customers through accurate match.

## Certificate of Compliance

# CE

We hereby declare that the technical file of product complied with the requirement of directives 2014/35/EU Low Voltage Directive & 2014/32/EU Measuring Instruments Directive.

**Certificate No.: CE-3403**

**Manufacturer**  
**Name** : Laboquest Inc.  
**Address** : One Westbrook Corporate Center Suite 300 Westchester IL 60154 USA  
**Products** : Manufacturing, Development and Distribution of Laboratory Equipment Including Freezers, Ice Makers, Freeze Dryers, Chillers, Pharmaceutical refrigerators, Blood bank Refrigerators, Refrigerated Circulators, Cold Storage Room

The Certification body has performed an audit of the above product quality system covering the design, manufacture and final inspection of the certified product. The quality system has been assessed, approved and is subject to continuous surveillance according to Directive 2014/35/EU Low Voltage Directive & 2014/32/EU Measuring Instruments Directive.

**This certificate is issued under the following conditions:**

1. It applies only to the quality system maintained in the manufacture of above referenced models and it does not substitute the design or type-examination procedures, if requested.
2. The certificate remains valid until the manufacturing conditions or the quality systems are changed.
3. The certificate validity is conditioned by positive results or surveillance audits.

The CE mark as shown above can be used, under the responsibility of the manufacturer, after completion of an EC Declaration of conformity and compliance with all relevant EC Directives. The statement is based on a single evaluation of one sample of above mentioned product. It does not imply an assessment of the whole production.
