

HSM shredstar S10 - 6 mm+ sep. CD cutting unit

HSM shredstar S10 document shredder

Data protection for everyone. This modern and compact strip cut document shredder with a separate CD cutting unit destroys your data reliably and quietly, both at home or at a small office.

Product information

CDs and DVDs, credit cards and loyalty cards can be easily shredded through the separate CD cutting unit. In the separate CD waste container, the shredded material is separated and is therefore already sorted for disposal.

The automatic reverse eliminates paper jams and ensures a smooth operation.

The LED indicator shows the device's operating status: Power, Overload, Overheat.

The quiet operating mode minimises noise development at the workplace which is an important consideration for your staff.

Technical data

Order number:	1042121	Voltage / Frequency:	220-240 V / 50-60 Hz
EAN	4026631057714	Intake width:	220 mm
Field of application:	home / small office	Container volume / collecting:	18 l
Cutting type:	strip cut	Noise level (idle operation):	ca. 58 dB(A)
