**Ref:** GCIP Moldova

**Job title:** Local Consultant. Environmental and Social consultant

**Project title:** Clean technology innovation program for SMEs and start-ups in the Republic of Moldova (GCIP Moldova)" (GEF ID: 10457).

To whom it may concern,

I am writing to you to express my interest in the local Environmental and Social consultant position at the Clean technology innovation program for SMEs and start-ups in the Republic of Moldova project.

I bring to the table over 20 years of experience and skills in the field that will help me to succeed in this role.

With a degree in energy engineering and management I have worked in the past in an energy distribution company. Also, I have more than 10 years of experience in the international projects and about 7 years as faculty at the Technical University of Moldova.

My additional multidisciplinary educational background, which includes a range of advanced training courses, summer school in the domain of: Clean Energy, Energy and Environment, Energy Efficiency and Audit of small and medium enterprises, has given me additional insight into the challenge's that projects may face, as well as the global contexts in which they operate.

As a consultant in the projects I

- was assisting in identifying and liaising with the project stakeholders in Moldova,
- was providing information to support the review of public / private property and property rights and level of activity in public /private sector energy efficiency improvements in buildings,
- was performing seminars, workshops, trainings for potential clients,
- was developing and implementing of the master courses

I would appreciate your consideration for the position.

Thank you for your time.

I look forward to discuss my skills and experience in more detail in an interview.

You can reach me directly at [+373 69343169].
