

Certificate of Compliance

We hereby declare that the technical file of product class 1 complied with the requirement of the Medical Council Directives 93/42/EEC of June 1993.

Manufacturer

Name : HOSPITAL EQUIPMENT MFG. CO.
Address : MFG. CO.: D-313, SECTOR-63, NOIDA, U.P.-201301, INDIA
Product : As Per Annexures

Complies with the requirements applicable to it

The Certification body has performed an audit of the above product quality system covering the design, manufacture and final inspection of the certified product. The quality system has been assessed, approved and is subject to continuous surveillance according to the directive Medical Council Directive 93/42/EC of June 1993.

This certificate is issued under the following conditions:

1. It applies only to the quality system maintained in the manufacture of above referenced models and it does not substitute the design or type-examination procedures, if requested.
2. The certificate remains valid until the manufacturing conditions or the quality systems are changed.
3. The certificate validity is conditioned by positive results or surveillance audits.
4. After fulfilling the relevant EU legislation, the manufacturer shall affix to each device, of the referenced models.
5. The CE mark as shown above can be used, under the responsibility of the manufacturer, after completion of an EC Declaration of conformity and compliance with all relevant EC Directives. The statement is based on a single evaluation of one sample of above mentioned product. It does not imply an assessment of the whole production

Date of Registration	30 December 2022
1 st Surveillance Due	29 December 2023
2 nd Surveillance Due	29 December 2024
Recertification Due (subject to the company maintaining system to the required standard)	29 December 2025

Certificate No.: 202301222

Validity of this certificate can be verified at www.qvcert.co.uk
