

## TPB 858545

Dimensions: 85 x 85 x 45 mm

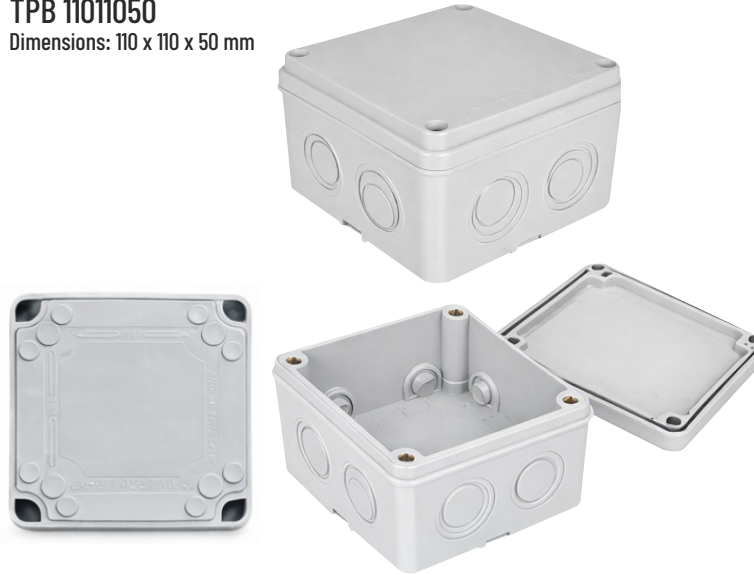

Press Lid

### Model: TPB 858545

Material: ABS  
Color: Grey  
Protection Class: IP40  
Cover Type: Press Lid  
Mounting: Surface Mount  
Cable Entries: Knockouts on sides and bottom  
Operating Temperature: -5°C / +60°C

## TPB 11011050

Dimensions: 110 x 110 x 50 mm

Screw Lid

### Model: TPB 11011050

Material: ABS  
Color: Grey  
Protection Class: IP65  
Cover Type: Screw Lid  
Mounting: Surface Mount  
Cable Entries: Knockouts on sides and bottom  
Operating Temperature: -5°C / +60°C

## TPB 11011074

Dimensions: 110 x 110 x 74 mm

Screw Lid

### Model: TPB 11011074

Material: ABS  
Color: Grey  
Protection Class: IP65  
Cover Type: Screw Lid  
Mounting: Surface Mount  
Cable Entries: Knockouts on sides and bottom  
Operating Temperature: -5°C / +60°C

ABS Junction Boxes are designed for cable connection and distribution in electrical installations. The boxes provide safe and organized wiring with multiple cable entry points. Durable ABS material ensures long service life and resistance to environmental conditions. Suitable for residential, commercial and industrial electrical applications.
