REACH Declaration of Compliance

Supplier's Declaration regarding REACH Regulation (EC) No. 1907/2006

With the introduction of the European chemicals regulation REACH, Regulation (EC) No. 1907/2006 entered into force on 1 June 2007, governing the registration, evaluation, authorization, and restriction of chemicals. The objective of this legislation is to ensure a high level of protection for human health and the environment. This objective is fully aligned with the corporate responsibilities of Fritz Kübler GmbH.

With regard to Article 33 of the REACH Regulation (EC) No. 1907/2006, we hereby confirm, to the best of our knowledge, that the products listed below do not contain substances of very high concern (SVHCs) included in the current Candidate List above the threshold limit of 0.1% (w/w).

- Antifoam 570
- Cleaner 445 S
- HGT A_1
- HGT A5C
- HGT C
- Antiscale 270

Furthermore, we do not intentionally use or procure any substances or components that are subject to restrictions under Annex XVII or authorization requirements under Annex XIV of the REACH Regulation.

Should the legal situation or the composition of the above-mentioned products change, we will inform the relevant parties without delay.

To ensure supply chain transparency and maximize product safety, we also require our suppliers to comply with REACH requirements and monitor their implementation accordingly. Verification of REACH compliance forms part of our supplier qualification process.
