

## EU DECLARATION OF CONFORMITY

released

according to article 13 of Law No. 90/2016 Coll. as amended, on conformity assessment of products when made available on the market and Government Regulation No. 219/2016 Coll., 118/2016 Coll., 117/2016 Coll. in the current version, providing the technical requirements for pressure equipment, low-voltage electrical equipment, products in terms of electromagnetic compatibility

**Producer:** SYSTHERM s. r.o.

K Papírně 26, 312 00 Plzeň, Czech Republic  
IČ: 64830454 DIČ: CZ64830454

**hereby confirms for product :** heating substation SYMPATIK

**Type:** SYMPATIK VNV 2V AK  
**Serial number:** 2024-41880-309/2024

**Conformity assessment:** according Government Regulation No. 219/2016 Coll. Module H

**As approved by:** Certifikate No. 07/23 of 20.11.2023, Strojírenský zkušební ústav, s.p., Notified Body identification number 1015, Hudcova 424/56b, 621 00 Brno, Czech Republic

**Description of product features:**

Heating substation is pressure equipment to ensure building heating, depending on the outdoor temperature and the preparation of hot water, including measurement and control. Unit is composed of its own heat exchangers, pumps, control valves including drives, storage tanks, closing valves, filters, thermometers, manometers, temperature sensors and the expansion vessel.

**Producer in accordance with article 13 of the law – declares,**

that the characteristics of the above mentioned equipment meet all the requirements set out in the cited government regulations, harmonized standards and that equipment is within condition of normal intended use safe. The manufacturer declares that has taken arrangements to ensure compliance with PED for above mentioned pressure equipment placed on the market with technical documentation.

Conformity assessment has been carried out according to the requirements of the technical regulations and standards (in the current text, including changes and corrections):
