

RTDF-1000ME

PURE ELECTRIC REMOTE CONTROL MACHINE

纯电款遥控开荒机

Product use	Mowing, simple branch cutting	Battery nominal energy	30.24 kWh
Machine size	2100*1260*750 MM	Single working time	About 6-8 hours
Packaging size	2180*1330*950 MM	Single charging time (double charging)	About 6 hours
Machine weight	850 KG	Remote control distance	400 M
Including packaging weight	941 KG	Vehicle response time	50 MS
Mowing width	1000 MM	Fast and slow gears	Optional
Hydraulic oil top lifting range	0--50 CM	Speed closed loop automatic correction	Exist
Travel speed	1.2 M/S	Power battery type	LFP
Cutter head motor power	9000 W	Track model	180*72*44
Maximum RPM	3450 RPM	Maximum climbing angle	55 °
Battery nominal capacity	72V420AH		

De asemenea, este posibilă instalarea de accesorii suplimentare
