Who we are;

Since 2002, "Peva Tekstil" is a professional company with 80 employees in 4,000 m2 open and 2,000 m2 closed area.

It is the largest production facility in Europe and domestic with an annual production capacity of medical products(Face mask, Coverall, Gowns, Nurse suit and ect). It has been the choice of many major brands with its quality and reliability. We continue to grow with new business partners.

Our Vision

To deliver the best possible customer service, excellent quality and the most advanced products. We want to be the automatic supplier of first choice to our key customers by providing them with the best products and a personal service.

Our specialist fields include: Face mask, coverall, gowns, nurse suit, bonnet, overshoe, medical boots...

Face Mask

We are a producers of masks (Meltblown, Blue, Black, N95, KN95) that approved from Universal Certification and confirm that the product fulfills all essential requirements and related rules of 93/42/EEC Medical Devices Directive (MDD) Class I are applied.

Coverall

Our coveralls are mainly sewed from the Laminated Non-woven(55-60 gr.) and Non-Laminated Non-woven(40 gr.). Mainly sizes that we use are S-M-L-XL-XXL-3XL. Our coveralls have laboratory test and certified from Universal Certification.

Gown

We are mainly produce visitor and surgical gowns. Types: SS-SMS-Laminated / Sterile, Non-Sterile.
Gramage: 20 gsm - 60 gsm. Colour: White - Blue. Gowns also tested and approved from Universal Certification which confirm that the product fulfills all essential requirements and related rules of 93/42/EEC Medical Devices Directive (MDD) Class I are applied.

...

Have a healthy day...
