

<b>Manufacturer:</b>	<b>Jingjiang Yunkai Solar Photovoltaic Co., Ltd</b> No.11, Fuyang Road, Jing Jiang City, Jiangsu Province, P.R.China			
<b>Product(s):</b>	Medium pressure block (35 Mid Clamp Kit)	<b>Model Type:</b>	Bracket Model for PV Panels (2172×1303×35mm)	
<b>Material:</b>	Hot dip galvanized steel	<b>Quantity:</b>	4050 pcs	
<b>No.</b>	<b>Test items</b>	<b>Requirements</b>	<b>Inspector judgment</b>	<b>Conclusion</b>
1	Front Post	Meet drawing requirements	Meet the requirements	Qualified
2	Rear Post	Meet drawing requirements	Meet the requirements	Qualified
3	Main beam	Meet drawing requirements	Meet the requirements	Qualified
4	Mounting rail	Meet drawing requirements	Meet the requirements	Qualified
5	End clamp	Meet drawing requirements	Meet the requirements	Qualified
6	Mid clamp	Meet drawing requirements	Meet the requirements	Qualified
7	Other matched components	Meet drawing requirements	Meet the requirements	Qualified
8	Implementation of CE standards	Standard:EN1090-1:2009+A1:2011	Meet the requirements	Qualified
<b>Test result:</b>	Meet the requirements of Standard:EN1090-1:2009+A1:2011 and of the agreed specification, and are allowed for shipment.
