Subject: **Invitation to tender for services procurement:**
Training of the project management team - ”Communication infrastructure”.

Dear Sir/Madame,

We are pleased to inform that you are invited to take part in the Single Tender Procedure organized by the Ministry of Internal Affairs, represented by Information Technology Service, Republic of Moldova, which intends to award a service contract for the Training of the management team for the project - ”Communication Infrastructure” – COMINF/3.1/1.

The training refers to the training of the staff in the field of the management processes of the project. The main objectives will be to gain the essential preparation needed for project management. The course will include a wide variety of learning tools and study aids and will target the major learning styles in project management.

The training will help them execute the project’s tasks effectively and efficiently by providing a systematic way to execute a project. This approach ensures that the trainees meet the project goals in a logical, systematic, and organized manner.

Undergoing this course, the team will be able to carry out specific processes for each phase in the project and that each process is executed by people playing specific roles. The trainees will learn how to fairly detail, monitor and control processes, which in turn ensures smooth project execution.

The service contract is awarded with financial assistance from the Joint Operational Program Romania - Republic of Moldova 2014 – 2020, ENI. The tender dossier is available for inspection at <https://mtender.gov.md/tenders/ocds-b3wdp1-MD-1591335787689>.
