

*Developing Scientifically
Focusing on the Health*

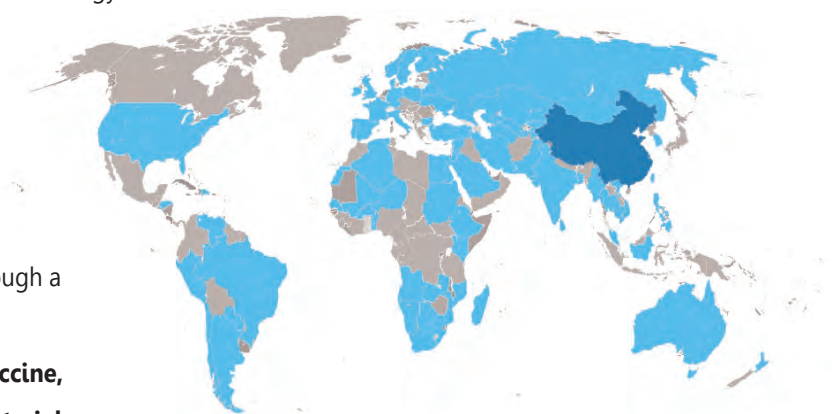

Beijing WANTAI Biological Pharmacy Enterprise Co., Ltd.

Founded in 1991, Beijing Wantai Biological Pharmacy is focused on domestic and international diagnostic reagents business with ELISA kits and rapid test for clinical diagnosis of human infectious diseases and for screening of blood donors. The headquarters is based in China, Zhongguancun Life Science Park (Beijing); the subsidiaries are at Xiamen, Fujian and Luoyang, Henan. Our plants possess GMP, ISO13485, ISO9001 accreditation, and are compliant with strict quality controls, which can assure state-of-the-art product performance. Wantai's diagnostic kits are used in blood banks, hospitals, clinics and laboratories, border inspection centres, blood-processing companies and research institutes.

One of the largest suppliers of HIV blood screening reagents in China The Chinese market-leader for infectious disease diagnostic test

- Wantai is the largest supplier of HIV and HCV ELISA in China
- Leading brand in blood transfusion and infectious immunology
- The world's first launched Hepatitis E vaccine
- Global leader in hepatitis E diagnostics
- Strong R&D abilities and highly experienced staff
- Year-by-year excellence in financial status
- Reliable social and business partner
- Global presence in over 40 countries worldwide through a strong distribution network
- **Key technical competences: ELISA, Rapid test, Vaccine, Clinical chemistry, CLIA, NAT, Quality control materials**

Wantai Group

ELISA

Catalog No.	Product	Certification
WA-1196	IgM antibody to hepatitis A virus (HAV-IgM) ELISA kit	CE
WB-1296	Surface antigen of hepatitis B virus (HBsAg) ELISA kit	CE
WB-2396	Antibody to surface antigen of hepatitis B virus (HBsAb) ELISA kit	
WB-2496	E antigen of hepatitis B virus (HBeAg) ELISA kit	
WB-2596	Antibody to E antigen of hepatitis B virus (HBeAb) ELISA kit	
WB-2696	Antibody to core antigen of hepatitis B virus (HBcAb) ELISA kit	
WB-2796	IgM antibody to core antigen of hepatitis B virus (HBcAb-IgM) ELISA kit	
WB-2896	Antibody to surface antigen of hepatitis B virus (HBsAb) ELISA kit (Quantitative)	
WB-2996	Hepatitis B virus nucleic acid related antigen (HBV-NRAg) ELISA kit	
WC-3196	Antibody to hepatitis C virus (HCV) ELISA kit	
WC-31S96	Antibody to hepatitis C virus (HCV) ELISA kit (Sandwich Principle)	CE
WI-4396	Antibody to human immunodeficiency virus (HIV 1+2 Ab) ELISA kit	CE / PQ
WI-4496	Antigen and antibody to human immunodeficiency virus (HIV 1+2 Ag/Ab) ELISA kit	CE
WT-51120	Treponema pallidum (TP) Toluidine Red Unheated Serum Test (TRUST)	
WT-5296	Antibody to treponema pallidum (TP) ELISA kit	CE
WD-6196	IgG antibody to hepatitis D virus (HDV-IgG) ELISA kit	
WD-6296	IgM antibody to hepatitis D virus (HDV-IgM) ELISA kit	
WE-7196	IgM antibody to hepatitis E virus (HEV-IgM) ELISA kit	CE
WE-7296	IgG antibody to hepatitis E virus (HEV-IgG) ELISA kit	CE
WE-7396	Total antibody to hepatitis E virus (HEV-Ab) ELISA kit	
WE-7596	Hepatitis E virus antigen (HEV-Ag) ELISA kit Plus	CE
WH-9196	Antibody to human T-cell Lymphotropic virus (HTLV1+2 Ab) ELISA Kit	
WR-1696	IgM antibody to human enterovirus 71 (EV71-IgM) ELISA kit	
WT-1196	Mycobacterium tuberculosis Correlative IFN- γ Release Assay ELISA kit (TB-IGRA)	CE

RIBA

Catalog No.	Product	Certification
QZ-01	Antibody to human immunodeficiency virus (HIV 1+2) recombinant immunoblot assay (RIBA)	
QZ-02	Antibody to hepatitis C virus (HCV) recombinant immunoblot assay (RIBA)	

Rapid Test

Catalog No.	Product	Certification
WJ-10	IgM antibody to hepatitis A virus (HAV-IgM) rapid test	CE
WJ-11	Surface antigen to hepatitis B virus (HBsAg) rapid test	
WJ-13	Antibody to hepatitis C virus (HCV) rapid test	
WJ-14	Antibody to surface antigen of hepatitis B virus (HBsAb) rapid test	
WJ-15	IgM antibody to hepatitis E virus (HEV-IgM) rapid test	CE
WJ-16	Treponema pallidum (TP) antibody rapid test	CE
WJ-18	HIV (1+2) antibody rapid test	PQ
WJ-19	Rotavirus antigen rapid test	CE
WJ-20	IgM antibody to human enterovirus 71 (EV71-IgM) rapid test
