

# Recommendation Letter

November 30, 2016

To whom it may concern:

During the period October – November 2016, SOE "CVC Milestii Mici" has worked directly with "ProConsulting" LLS on developing consulting project - Strategic Development Plan which has been coordinated by Mrs. Mihaela Negru.

The objectives of the consultancy were to develop Strategic Development Plan under two new projects required to be implemented by the Company.

Description of the work performed:

Objective 1. The company's internal diagnosis – a situation analysis. Reasoning of investments.

Objective 2. Clarification of the vision for the strategic plan. Formulation of solutions.

Objective 3. Elaboration of financial plan.

Objective 4. Strategical plan presentation.

During our collaboration, Mrs. Negru has proven excellent quality. I recommend Mrs. Negru without reservation.

Please call me or email if you have any questions regarding this recommendation.
