Certificate of Approval

This is to certify that the Management System of:

Ford Motor Company

290 Town Center, Suite 800, Dearborn, MI, 48126, United States

has been approved by LRQA to the following standards:

ISO 14001:2015

Approval number(s): ISO 14001 - 0013982

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

The Manufacture of Sheet Metal and the Sub-Assembly of Automotive Parts and Components. Product Development, Central Workshop, and Transport Operations. The Manufacture and Assembly of Automotive Powertrain Systems including Engines, Transmissions, Batteries, and the Forging and Die Casting of Powertrain Components. The Storage and distribution of Ford Automotive Parts. Manufacture of Prototypes, Tools, and Spare Parts. Proving Ground Activities Including Analysis Development and Validation Tests of Vehicles and Components in Tracks, Laboratories and Simulations. Verification of Automotive Parts and Components with Regulatory Requirements. Central Function and Oversight of the Ford Motor Company Environmental Management System.

Marta Escudero

Regional Director, United Kingdom and Americas (UKAM)
