

Confirmation Letter

Date: 7th, July, 2026

Subject: Confirmation on ISO/IEC 17025 Accreditation for Type & Routine Tests

We hereby formally confirm the testing accreditation status as required:

1. Type tests for the model are performed by a CNAS (ISO/IEC 17025 accredited) Chinese laboratory, with its accreditation certificate attached.
2. Our factory QC lab has no independent ISO/IEC 17025 accreditation. But all routine test equipment is calibrated by CNAS & ISO/IEC 17025 certified metrology institutes, all calibration items are fully covered under CNAS recognition.

All test data complies with IEC 60099-4 and Section 5 of your Technical Specification, you may fully trust the validity of all test results.
